

Want better information and tools for planning decisions?

Work with the
Ohio Coastal
Training Program.

UNH Stormwater Center/CICEET

Our program addresses:

- Watershed planning
- Stormwater
- Shore erosion
- Wastewater
- Sustainable design
- Renewable energy
- Land use planning
- Grant writing

Stop by our booth and learn how the program can help you.

coastaltrainingohio.org

Promoting stewardship of the Lake Erie coast and watershed through science-based tools and training.
