letter and a resume.

### SUMMARY OF DUTIES

The Aquatic Visitors Center (AVC) Coordinator oversees and monitors daily operation of the AVC and assumes responsibility for care and welfare and record keeping of education animals including fish, amphibians, and reptiles. In addition, the coordinator leads public tours and educates small groups on current Lake Erie issues; trains seasonal employees on AVC daily duties; provides oversight for volunteers; oversees associated housing facility located at AVC; maintains daily activity reports and produces a seasonal activity report; works occasionally on research vessels; builds a special event calendar early spring and late fall; performs cash handling duties including sales and inventory of merchandise and performs other duties as needed.

### QUALIFICATIONS

Two years college course work or demonstrated ability in the conduct of routine field work. **A bachelor's degree in biological science-related field or an equivalent combination of education and experience and knowledge of Lake Erie fish and ecosystems is desired.**

The job posting will be open from  
**November 5, 2016 until 12 a.m.  
ET March 2, 2017.** Interviews for  
employment will be held **March  
7-9, 2017** in Columbus, and  
decisions will be made by the  
end of March.
