

STONE LABORATORY 2016

Ohio State's Island Campus on Lake Erie

Biological Field Station Assistant Six Positions Available

Salary: Starting at \$8.50/hr (commensurate with experience), housing and some meals included

Location: F.T. Stone Laboratory, Put-in-Bay, Ohio

Dates: Mid-April to late October 2016 (flexible beginning and end dates)

SUMMARY OF DUTIES

Individuals will assist with the lab's Science Field Trip Program as instructors in the spring, summer and fall. This will include helping students sample aboard our research vessels, identifying specimens in laboratory sessions and participating in specialized island activities.

Each assistant will also be assigned a combination of the following duties:

- Research assistant to aid visiting scientists
- Bookstore clerk and library aide
- Kitchen and dorm duty rotation
- Tours of Gibraltar Island, the South Bass Island Lighthouse and the Aquatic Visitors Center
- Upkeep of lab grounds and facilities

INFORMATION

For additional information, please contact Stone Lab Manager Matt Thomas at thomas.347@osu.edu or call 419-285-1800.

TO APPLY

Visit stonelab.osu.edu/jobs. Applicants will be asked to upload a brief cover letter and a resume.

The job posting will be open from November 7, 2015 until 12 a.m. ET March 6, 2016. Interviews for employment will be held March 15-17, 2015 in Columbus, and decisions will be made by the end of March.

QUALIFICATIONS

2 years of college course work and valid driver's license. Applicants may be subject to a security check. Bachelor's degree preferred.

F.T. Stone Laboratory, The Ohio State University's island campus, is the Lake Erie research and teaching laboratory for the Ohio Sea Grant College Program. Course credits are based on The Ohio State University semester credit system and are transferable to most colleges and universities.
