OHIO STATE'S ISLAND CAMPUS ON LAKE ERIE

F.T. Stone Laboratory, The Ohio State University's island campus, is the Lake Erie research and teaching laboratory for the Ohio Sea Grant College Program. Course credits are based on the Ohio State University semester credit system and are transferable to most colleges and universities.

# ***Who are the Friends of Stone Laboratory (FOSL)?***

FOSL began in 1981 as a group to bring Stone Laboratory into the 21st century with the best possible facilities, equipment and professors. Membership provides a way for former students to support the facility by raising awareness and funds for scholarships, research and equipment.
