Classroom Materials

Limited reference books are available at the Stone Lab Library. You are encouraged to bring your own reference materials. A list of the supplies and textbooks needed for each of your course(s) can be found on the Ohio State Marion Campus bookstore website, at go.osu.edu/marionbooks, and can be purchased online from the bookstore. These supplies and textbooks **MUST** be purchased **BEFORE** your arrival at Stone Lab. Stone Lab will **NOT** have the texts and supplies for each class. Some basic class supplies may be purchased at the Stone Lab bookstore with cash, check or credit card. Please make sure to bring the proper identification as needed. Other field equipment is available for student use without charge.
